MEMORANDUM OF CONVERSATION

SUBJECT: PFIAB

25X1 I talked with Wheaton Byers on this date regarding (1) COINS  
[redacted] and (3) NRO NSCID. On the latter he said only that  
he was looking forward to receiving the draft which WEC had  
25X1 offered to send. With respect to the other two items, he said  
the PFIAB "technical panel" (Messrs Baker, Foster, Land and  
Teller) would meet at Dr. Baker's initiative on September 6 to  
review COINS in the a.m. and [redacted] in the p.m. In the case  
of COINS, Dr. Baker wishes to understand what is preventing  
COINS from being as widely used as he believes it ought to be;  
with respect to [redacted] he has -- for reasons not stated to  
Mr. Byers -- some concerns of a technical nature.
